

ABOUT US

EECO is an expert in industrial automation and electric motor solutions, with the benefit of full line electrical distribution.

EECO has been a proud supporter of the American Heart Association since 2013 and this year is a participating sponsor of the 2015 Richmond Heart Walk. The American Heart Association is the largest voluntary health organization dedicated to defeating heart disease, stroke and other cardiovascular diseases. Their mission is to build healthier lives, free of cardiovascular diseases and stroke – the nation's No.1 and No.5 killers. Thank you, golfers, sponsors and volunteers for supporting the Heart Walk and helping fight heart disease and stroke. You are why we have the American Heart Association Heart Walk. Life is why we have our mission.
