

Speed To **CONFIRM**

Enter **EVERY ORDER** into the system **EVERY DAY** and send the **ORDER CONFIRMATION** to the customer

Our customers enjoy having their orders confirmed the same day they send them to us. Sending their order confirmation raises our customer service levels by insuring we have received the right information the first time and that we have captured their order correctly.

**FAST CONFIRMATION
SHOWS YOU VALUE THE
CUSTOMER AND
APPRECIATE THEIR
ORDER—THIS IN TURN
PRODUCES REPEAT
CUSTOMERS!**

Maximize Our Profitability

Order confirmations assist with our order settlement, the clean invoicing and collection of accounts receivable and accounts payable.
